Ohio is the national leader of Make A Difference Day, the largest day of volunteering to meet community needs. Make A Difference Day Ohio (MDDO) has become a very successful, award winning initiative that has helped the Buckeye State lead the country in service projects each year since its inception. In 2007, over 1,100 Ohio projects were reported, involving more than 40,000 volunteers from every corner of the state.

The Ohio Community Service Council and the MDDO statewide Steering Committee, with the support of our corporate sponsors, coordinate and promote this day of service. **We encourage you to “join the team” and make a difference in your own community!**
