CNCS Branding Project Update

Barbara Stewart, CNCS CEO 6/18/2020 email -

“After considering feedback from stakeholders and staff, and weighing the recommendations from the branding firm, we intend to use two brands – **AmeriCorps and AmeriCorps Seniors** – to talk about our programs collectively and to move forward with AmeriCorps as the name for our agency.”

“Over the coming months, CNCS will continue work to bring this direction to life, with a brand launch taking place later this summer. At the launch, we will:

- Start to employ the new brand names, logos, messaging, and other brand elements.
- Share new brand guidelines and requirements for co-branding”

Three years to fully implement. No changes are needed now.

CORPS Act

- Update: Introduced in the Senate last week
- Cultivating Opportunity and Response to the Pandemic through National Service FY20-FY23
- Slightly scaled back version of the Pandemic Response & Opportunity Through National Service Act
- Hasn't been introduced yet but strong bipartisan support
- Input from ASC/S4S, Voices for National Service and other National Service stakeholders
- Includes match replacement; expands service; increases stipends, ed awards and makes them non-taxable.
- *Thank you for your quick responses to the match waiver and replacement survey.*
